

Kerasilk Revitalize

The rejuvenating scalp & hair care routine inspired by luxury skin care — Kerasilk Revitalize is enriched with Ectoin®, one of nature's most powerful protectors that effectively shields the scalp from oxidative stress, supported by segment specific ingredients that individually counteract the key signs of scalp ageing. The Nourishing range intensively hydrates dry and sensitive scalp with wholesome grapeseed; Detoxifying range effectively removes dandruff and prevents oil scalp with red algae, known for purifying the scalp; Redensifying range strengthens the roots and redensifies the hair with ginseng, known for strengthening the scalp.
