

Nature's Scalp Protector

Scalp Protector uses Natural Wheat Protein, Chamomile Flower Extract, Green Tea Extract and Jojoba Oil. It penetrates deeply to protect and soothe the scalp, preventing irritations, allergic reactions and hair breakage. The Restore + Seal Colour Treatment contains Phytokeratin to even the porosity of the hair, ensuring even colour results. It rebalances the hair's pH value while reviving and strengthening each hair fibre for a long-lasting shine. Exfo-Peel contains organic Chamomile Extract with anti-inflammatory and anti-itching properties. The exfoliating cream-gel also had purifying and hydrating action, which helps to control excessive oil secretion, leaves a cooling sensation.
