

KMS StyleColor

KMS STYLECOLOR offers unlimited potential for personal expression. Easy to apply and easy to remove, the flexible spray boosts hairstyles with temporary colour that doesn't come off unexpectedly. Nine contemporary and moderate tones from Frosted Brown and Dusky Blonde to the latest fashionable matt metallic colours, like Vintage Blush and Iced Concrete. A polymer complex with a blend of pigments evenly adheres to the hair's surface and builds a flexible ultra-thin film to guarantee results on both lighter and darker hair tones and a movable finish. STYLECOLOR washes off easily with shampoo only while being waterproof and pillow-friendly.
