

## Solu Sea Salt Scrub Cleanser

Solu Sea Salt Scrub Cleanser is a deeply cleansing paste with great purifying properties for all hair types. It removes impurities and particle pollutants from the hair, refreshing the scalp, providing a further texturing effect, and keeping the hair clean longer. Formulated with beet sugar extract to provide softness and hydration and scrub pearls from jojoba to remove impurities, it contains Sea Salt from Mr Culcasi's salt pans in Paceco, which is particularly rich in magnesium, potassium and microelements.
