

New Wella Professionals INVIGO

New Wella Professionals INVIGO are formulated with High Performance INVIGO-Blends™ — new ingredients, advanced technology and vitamins are all carefully selected for each line to offer high performance care solutions for all hair needs. The complete INVIGO care line — Color Brilliance and Nutri-enrich — have been developed to work in conjunction with 2 INVIGO exclusive in-salon treatments — BRILLIANCE BOOSTER and NUTRI BOOSTER. These new treatments turn basic care services into the quick, easy, personalised and enjoyable moments that clients are looking for.
