

## **CELIA**

Hair by: María Montes @Manuel Mon Estilistas

Photographer: Bernardo Baragaño

MUA: María Montes

Model: Celia Fernández Sastre

*CELIA is a collection inspired by the latest trends. It is pure fashion; a very modern proposal with an elegant and clean air that transpires delicacy without renouncing to a tougher air with ethnic touches.*

*But above all, CELIA is beauty. A tribute to beautiful women who are enhanced and favoured with an ice white tone that highlights this delicate and sweet perfection.*
