Introducing you to the DunGüd : The whole Güd : and nothing but the Güd.

DunGüd is the by-product of two industry veterans & friends, Phil Taylor & Kass Nagi who joined forces with a vision, to shake up both the barbering & hairdressing landscape simultaneously.

DunGüd speaks to individuality, youth and a fashion forward consumer and is truly committed to the industry and delivers on its pledge to always be: Professional, Innovative, Simplistic, Ethical & clean and Supporting Education and Growth of barbers & hairdressers.

All original formulations and fragrances developed and packaged in Australia. No Nasties – Free from Sulphates, Parabens & Propylene glycol and other native Australian plant-based ingredients, which are cruelty free & ethical. Products are color safe and offer UV & thermal protection in many products. The unique multidimensional jars are recyclable.
