

Cezanne - The Latest Keratin Treatment Product Exclusively from Woorailoora P/L

The name Cezanne comes from Paul Cezanne, the famous French artist and post-Impressionist painter. We believe every artist needs the perfect canvas to create their masterpiece. With the palette of Cezanne, create a smoother, frizz-free canvas while restoring natural shine and making hair healthy and more manageable—all without toxic chemicals.

Cezanne brings smooth hair and clean hair. It is non-toxic, naturally safe and effective. There are no vapors or fumes, so no need for masks, gloves or ventilation during the treatment.

BENEFITS:

- Makes hair shiny and enhances hair color
- Reduces blow-dry and flat iron time by half
- Softens and lengthens curl while still holding body
- Combats humidity, moisture and frizz
- Repairs and restores damaged hair back to life
- Ready to wear, no limitations
- Allows for coloring, shampooing, working out, wearing ponytails and swimming directly after treatment
- Tames cowlicks, baby hairs and bangs
- Restores hair from hormone changes or chemotherapy

Cezanne offers transformational in-salon services as well as a range of Cezanne After Care retail range to maintain and extend the longevity of Cezanne's keratin smoothing treatment.
